"We were delighted with our experience at the Holiday Inn Stratford City where we had our wedding reception. The three-course meal was wonderful, the chef catered for our requirements and was flexible about the menu, all guests commented on how good the food was.

The events team couldn't have done more to make sure our day went as perfectly as we could hope for, so attentive and made us feel so special and at ease because they had everything under control.

Housekeeping showered our room with roses which was such a special touch, thank you!"

"Our wedding at the Holiday Inn London Stratford City was an excellent occasion all round. The staff were very attentive and worked very hard to ensure we had a special day. Maggie, in particular, was excellent. We would have no hesitation in recommending this as a wedding venue for future couples, and in fact have done so already."

"Changing our Wedding breakfast venue to the Holiday Inn Stratford City, was the best decision we made. All the staff were supportive and kind of treating us like royalty all day. The food, the wines, the service were all exceptional - and all our guests went home delighted."
